The first meeting of the Technology Services Board of the new Department of Technology Services will be held on July 27, 2005 at 10 a.m. at 400 R Street in Sacramento. A copy of the Public Notice and Agenda is available online at the Department of Technology Services website: <http://www.dts.ca.gov/pdf/pub-notice-agenda.pdf>

As recommended by the California Performance Review, the Department of Technology Services is a new state department created by Governor's Reorganization Plan (GRP) Two this month which consolidated the Health and Human Services Agency Data Center, Stephen P. Teale Data Center and the Department of General Services-Office of Network Services, within the State and Consumer Services Agency.

The Technology Services Board will provide governance and guidance to the Department of Technology Services to ensure appropriate oversight and customer orientation.

The Board members include a designee of the Governor, as a non-voting chair, the Director of Finance, the State Controller, the Director of the Office of Emergency Services and the Agency Secretaries of the Department of Food and Agriculture, Business, Transportation and Housing Agency, California Environmental Protection Agency, Health and Human Services Agency, Labor and Workforce Development Agency, Resources Agency, State and Consumer Services Agency, Department of Veterans Affairs and the California Department of Corrections and Rehabilitation.
